INFORMATION DISCLOSURE STATEMENT
PURSUANT TO 37 C.F.R. § 1.97 ET SEQ.

Assistant Commissioner of Patents
Washington, D.C. 20231

Sir:

Listed on the accompanying form PTO-1449 are a number of documents which may be considered material to the examination of this application. Pursuant to 37 CFR 1.98(d), copies of the patents are not being provided as they were previously cited by or submitted to the U.S. Patent Office in prior application Serial No. 09/685,305, filed on October 10, 2000.

Applicant reserves the right to establish the patentability of the claimed invention over any of the listed documents should they be applied as references, and/or to prove that some of these documents may not be prior art, and/or to prove that some of these documents may not be enabling for the teachings they purport to offer.

This statement should not be construed as a representation that an exhaustive search has been made, or that there does not exist information more material to the examination of the present application. The Examiner is specifically requested not to rely solely on the materials submitted

herewith. The Examiner is requested to conduct an independent and thorough review of the documents, and to form independent opinions as to their significance.

It is respectfully requested that the Examiner initial and return a copy of enclosed PTO-1449, and to similarly indicate in the official file wrapper of this patent application that the documents have been considered.

Respectfully submitted,

Steven L. Schmid
